CONFIGURATIONS ARE POSSIBLE.

IN TRAINING

New mobile freestanding table, connectable with ganging set for more sturdiness. Complete the innumerable forms with trapezoid and hexagon table to upgrade the standard row configuration.

With trapezoid shape table at the middle, a sine wave configuration is created, hence an effective training atmosphere are in your control. Personal belongings are finely organized in belonging shelf.

IN CONFERENCE

Meticulously designed for intensive and collaborative communication, thus the conference form creating synergy ideas and solutions within a group of colleagues. Extendable seat capacity is plausible, as needed. High flexibility to arrange in either open or close configuration per selection from varies sizes of table.

With diamond shape configuration, interaction is easier. All participants can discuss direct to each other. The layout can be extended or shrunk per different seat requirements.

IN MEETING

With assorted shapes, innumerable configurations can be created. Set up and store the meeting table is easier. The excessive tables can be composed to serve other purposes in minutes, or nested to conserve space.

Limitless possibilities to suit with each discussion layout, open- or close-type. Hexagon table allows creating "V" configuration that supports presentation and teleconference.

STEP TOWARD THE GREEN

It has been over a few years that ROCKWORTH has studied the consequences to the environment caused by our business. The study is conducted not only within our organization but also to our customers, suppliers and other environmental specialists.

We understand the difference of steps toward the sustainable organization and realize that we can only achieve this by working together with everyone in our company. Starting from product design, production through delivery and installation.

In the journey of sustainable business and environmental friendly, we continuously focus on the following development and improvement.

- Our products meet or exceed applicable legal requirements and other requirement related to the environment aspects of the organization.
- We are continuously improving performance focus on preventing pollution, reducing waste and reducing consumption of non-renewable energy.
- We are implementing technologies to efficiently use of energy resources.
- We design, process and produce our products for the environment.
- We promote environmental knowledge and awareness.
